COMMERCIAL EXCESS LIABILITY POLICY

Various provisions in this policy restrict coverage. Read the entire policy carefully to determine rights, duties and what is and is not covered.

Throughout this policy the words "you" and "your" refer to the Named Insured shown in the Declarations, and any other person or organization qualifying as a Named Insured under this policy. The words "we", "us" and "our" refer to the company providing this insurance. The word "insured" means any person or organization qualifying as such under the "underlying insurance".

Other words and phrases that appear in quotation marks in this policy have special meaning. Refer to Section **IV** – Definitions. Other words and phrases that are not defined under this policy but defined in the "underlying insurance" will have the meaning described in the policy of "underlying insurance".

The insurance provided under this policy will follow the same provisions, exclusions and limitations that are contained in the applicable "underlying insurance", unless otherwise directed by this insurance. To the extent such provisions differ or conflict, the provisions of this policy will apply. However, the coverage provided under this policy will not be broader than that provided by the applicable "underlying insurance".

There may be more than one "underlying insurance" policy listed in the Schedule of "underlying insurance" and provisions in those policies conflict, and which are not superseded by the provisions of this policy. In such a case, the provisions, exclusions and limitations of the "underlying insurance" applicable to the particular "event" for which a claim is made or suit is brought will apply.

SECTION I – COVERAGES

1. Insuring Agreement

- a. We will pay the "ultimate net loss" in excess of the limits shown in the Schedule of "underlying insurance" because of "injury or damage" to which this insurance applies, provided that the "underlying insurance" also applies, or would apply but for the exhaustion of its applicable limits of insurance.

We will have the right and duty to defend the insured against any suit seeking damages for such "injury or damage" when the applicable limits of "underlying insurance" have been exhausted in accordance with the provisions of such "underlying insurance" by actual payment of the "underlying insurance" limits. An offer to pay or a tender of limits of "underlying insurance" are not considered to be exhaustion of such "underlying insurance" limits.

When we have no duty to defend, we will have the right to defend, or to participate in the defense of, the insured against any other suit seeking damages for "injury or damage".

However, we will have no duty to defend the insured against any suit seeking damages for which insurance under this policy does not apply.

But:

- (1) The amount we will pay for "ultimate net loss" is limited as described in Section **II** – Limits Of Insurance; and
 - (2) Our right and duty to defend ends when we have used up the applicable limit of insurance in the payment of judgments or settlements under this policy. However, if the policy of "underlying insurance" specifies that limits are reduced by defense expenses, our right and duty to defend ends when we have used up the applicable limit of insurance in the payment of defense expenses, judgments or settlements under this policy.
- b. This insurance applies to "injury or damage" that is subject to the applicable Limits Of Insurance shown on the Schedule of "underlying insurance". If any other limit, such as a sublimit, is specified in the "underlying insurance", this insurance does not apply to "injury or damage" arising out of that coverage.

- c. If the "underlying insurance" requires, for a particular claim, that the "injury or damage" occur during its policy period in order for that coverage to apply, then this insurance will only apply to that "injury or damage" if it occurs during the policy period of this policy. If the "underlying insurance" requires that the "event" causing the particular "injury or damage" takes place during its policy period in order for that coverage to apply, then this insurance will apply to the claim only if the "event" causing that "injury or damage" takes place during the policy period of this policy.
- d. Any additional insured under any policy of "underlying insurance" will automatically be an additional insured under this insurance. If coverage provided to the additional insured is required by a contract or agreement, the most we will pay on behalf of the additional insured is the amount of insurance required by the contract, less any amounts payable by any "underlying insurance".

Additional insured coverage provided by this insurance will not be broader than coverage provided by the "underlying insurance".

2. Exclusions

The following exclusions, and any other exclusions added by endorsement, apply to this policy. In addition, the exclusions applicable to any "underlying insurance" apply to this insurance unless superseded by the following exclusions, or superseded by any other exclusions added by endorsement to this policy.

Insurance provided under this policy does not apply to:

- (2) Any loss, cost or expenses arising out of the abating, testing for, monitoring, cleaning up, removing, containing, treating, detoxifying, neutralizing, remediating or disposing of, or in any way responding to, or assessing the effects of, "fungi" or bacteria, by any insured or by any other person or entity.
- (3) The cost or expense of compliance with any law or regulation regarding "fungi" or bacteria.

 - c. Persons or organizations making claims or bringing suits; or
 - d. Limits available under any "underlying insurance".
2. The Limits Of Insurance of this policy will apply as follows:
 - a. This insurance only applies in excess of the limits shown in the Schedule of "underlying insurance".
 - b. The Aggregate Limit is the most we will pay for the sum of all "ultimate net loss", for all "injury or damage" covered under this policy.

However, this Aggregate Limit only applies to "injury or damage" that is subject to an aggregate limit of insurance under the "underlying insurance".
 - c. Subject to Paragraph **2.b.** above, the Each Occurrence Limit is the most we will pay for the sum of all "ultimate net loss" under this insurance because of all "injury or damage" arising out of any one "event".
 - d. If the Limits Of Insurance of the "underlying insurance" are reduced by defense expenses by the terms of that policy, any payments for defense expenses we make will reduce our applicable Limits Of Insurance in the same manner.
3. If any "underlying insurance" has a policy period that is different from the policy period of this policy then, for the purposes of this insurance, the limits shown in the Schedule of "underlying insurance" will only be reduced or exhausted by payments made for "injury or damage" covered under this insurance.

The Aggregate Limit of this policy applies separately to each consecutive annual period of this policy and to any remaining period of this policy of less than 12 months, starting with the beginning of the policy period shown in the Declarations, unless the policy period is extended after issuance for an additional period of less than 12 months. In that case, the additional period will be deemed part of the last preceding period for purposes of determining the Limits Of Insurance.

SECTION III – CONDITIONS

The following conditions apply. In addition, the conditions applicable to any "underlying insurance" are also applicable to the coverage provided under this insurance unless superseded by the following conditions.

1. Appeals

If the "underlying insurance" carrier(s) or insured elects not to appeal a judgment in excess of the amount of the limits shown in the Schedule of "underlying insurance", we may do so at our own expense. If we elect to appeal we may also pay for:

- a. Taxable court costs;
- b. Pre- and post-judgment interest; and
- c. Disbursements associated with such appeal.

In no event will this provision increase our liability beyond the applicable Limits Of Insurance described in Section II – Limits Of Insurance.

2. Bankruptcy

a. Bankruptcy Of Insured

Bankruptcy or insolvency of the insured or of the insured's estate will not relieve us of our obligations under this policy.

b. Bankruptcy Of Underlying Insurer

Bankruptcy or insolvency of the "underlying insurance" carrier(s) will not relieve us of our obligations under this policy.

However, insurance provided under this policy will not replace any "underlying insurance" in the event of:

- a. Bankruptcy or insolvency of the insured; or
- b. Its "underlying insurance" carrier(s).

The insurance provided under this policy will apply as if the "underlying insurance" were in full effect and recoverable.

3. Duties In The Event Of An Event, Claim Or Suit

- a. You must see to it that we are notified as soon as practicable of an "event", regardless of the amount, which may result in a claim under this insurance. To the extent possible, notice should include:

- (1) How, when and where the "event" took place;
- (2) The names and addresses of any injured persons and witnesses; and
- (3) The nature and location of any "injury or damage" arising out of the "event".

- b. If a claim is made or suit is brought against any insured, you must:

- (1) Immediately record the specifics of the claim or suit and the date received; and
- (2) Notify us as soon as practicable.

You must see to it that we receive written notice of the claim or suit as soon as practicable.

- c. You and any other insured involved must:

- (1) Immediately send us copies of any demands, notices, summonses or legal papers received in connection with the claim or suit;
- (2) Authorize us to obtain records and other information;
- (3) Cooperate with us in the investigation or settlement of the claim or defense against the suit; and
- (4) Assist us, upon our request, in the enforcement of any right against any person or organization which may be liable to the insured because of "injury or damage" to which this insurance may also apply.

- d. No insured will, except at that insured's own cost:

- (1) Voluntarily make a payment;
- (2) Assume any obligation; or
- (3) Incur any expense, other than for first aid;

without our consent.

4. First Named Insured Duties

The first Named Insured is the person or organization first named in the Declarations and is responsible for the payment of all premiums. The first Named Insured will act on behalf of all other Named Insureds for:

- a. Giving and receiving of notice of cancellation; or
- b. The receipt of any return premium that may become payable.

At our request, the first Named Insured will furnish us, as soon as practicable, with:

- a. A complete copy of any "underlying insurance"; and
- b. Any subsequently issued endorsements or policies which may in any way affect the insurance provided under this policy.

5. Cancellation

- a. The first Named Insured shown in the Declarations may cancel this policy by mailing or delivering to us advance written notice of cancellation.

- b. We may cancel this policy by mailing or delivering to the first Named Insured written notice of cancellation at least:
 - (1) 10 days before the effective date of cancellation if we cancel for nonpayment of premium; or
 - (2) 30 days before the effective date of cancellation if we cancel for any other reason.
- c. We will mail or deliver our notice to the first Named Insured's last mailing address known to us.
- d. Notice of cancellation will state the effective date of cancellation. The policy period will end on that date.
- e. If this policy is cancelled, we will send the first Named Insured any premium refund due. If we cancel, the refund will be pro rata. If the first Named Insured cancels, the refund may be less than pro rata. The cancellation will be effective even if we have not made or offered a refund.
- f. If notice is mailed, proof of mailing will be sufficient proof of notice.

6. Changes

This policy contains all the agreements between you and us concerning the insurance afforded. The first Named Insured shown in the Declarations is authorized by all other insureds to make changes in the terms of this policy with our consent. This policy's terms can be amended or waived only by endorsement.

7. Maintenance Of/Changes To Underlying Insurance

Any "underlying insurance" must be maintained in full effect without reduction of coverage or limits except for the reduction of aggregate limits in accordance with the provisions of such "underlying insurance" that results from "injury or damage" to which this insurance applies.

Such exhaustion or reduction is not a failure to maintain "underlying insurance". Failure to maintain "underlying insurance" will not invalidate insurance provided under this policy, but insurance provided under this policy will apply as if the "underlying insurance" were in full effect.

The first Named Insured must notify us in writing, as soon as practicable, if:

- a. Any "underlying insurance" is:
 - (1) Cancelled;
 - (2) Not renewed;
 - (3) Replaced; or
 - (4) Otherwise terminated; or
- b. The limits or scope of coverage of any "underlying insurance" is changed.

8. Other Insurance

- a. This insurance is excess over, and shall not contribute with any of the other insurance, whether primary, excess, contingent or on any other basis. This insurance is also excess over any other insurance available to an additional insured.

This condition will not apply to insurance specifically written as excess over this policy.

When this insurance is excess, if no other insurer defends, we may undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

- b. When this insurance is excess over other insurance, we will pay only our share of the "ultimate net loss" that exceeds the sum of:
 - (1) The total amount that all such other insurance would pay for the loss in the absence of the insurance provided under this policy; and
 - (2) The total of all deductible and self-insured amounts under all that other insurance.

9. Premium Audit

- a. We will compute all premiums for this policy in accordance with our rules and rates.
- b. If this policy is auditable, the premium shown in this policy is a deposit premium only. At the close of each audit period, we will:

- (1) Compute the earned premium for that period; and
- (2) Send notice to the first Named Insured.

The due date for audit premium is the date shown as the due date on the bill.
